MINOTTI LIMASSOL: NEW OPENING ON THE ISLAND OF CYPRUS

Minotti doubles its presence on the island of Cyprus with the opening of the new flagship store **Minotti Limassol**, in collaboration with partner **C. Askotis Retail**, which joins the existing monobrand space in the capital, Nicosia.

The showroom is located within the modern Trilogy Plaza complex: a sophisticated location where the relaxed atmosphere of the seafront blends with the vibrant energy of the city centre.

The entire project, curated by Minotti Studio, stands out for its warm colour palette and refined materials, with a dynamic interplay of settings that evoke both indoor and outdoor spaces. The atmosphere, understated yet sophisticated, offers a unique design experience spanning two floors. The entrance hosts the **Yves** seating system by Hannes Peer, with two elements positioned vis-à-vis. In the dining area, the sculptural **Nico** table by Hannes Peer takes centre stage with its interlocking geometric base.

Two additional living areas accommodate the seating systems **Supermoon** by Giampiero Tagliaferri and the **Horizonte** by Marcio Kogan / Studio MK27, along with a curated selection of furnishing accessories. A wide travertine staircase leads to the mezzanine level, where the night area features the **Supermoon Bed** by Giampiero Tagliaferri. A large glass wall connects the indoor and outdoor areas, serving as a natural extension of the brand's style. Here, the **Daylight** seating system by GamFratesi creates a perfect outdoor living spot.

Set in a prime location, the **Minotti Limassol** flagship store offers a new destination for contemporary furnishings in Cyprus, with the aim of enriching the local design scene, inspiring professionals, and meeting the needs of a clientele that is increasingly discerning when it comes to quality and style.
